**(Subject to change)*

Our programmes incorporate both subject-specific and generic business modules and have been designed to reflect industry practices and academic developments. Each of our existing courses touches up on tourism as a business activity - the organisation, dimensions, social significance and impact of tourism are studied.

With entry profiles ranging from beginners to advanced levels, our programmes are tailor made to meet the present need of tourism industry. Learners are supported at every stage of learning and career development.

TOURISM AND TRAVEL

Offered at Gwalior and Bhubaneswar Campuses

The MBA (Tourism) in Tourism and Travel programme has been developed to meet the growing demand for skilled and resourceful managers in this rapidly expanding tourism industry. This programme provides a sound foundation in business and management principles and at the same time provides for the development of specialist tourism knowledge and skills that are essential for a successful career in tourism management today.

Objectives

- i. Understand the broad political, economic and social frameworks within which tourism management takes place
- ii. Appreciate the complex relationships between visitors and destination management
- iii. Evaluate the tools and techniques that are used for developing and managing tourism in a range of environments
- iv. Enable young learners to develop a business sense and sensitize them to nuances in service scenario
- v. Equip and enable learners to start a new business venture

Accordingly, the programme has a large component of working in real world situations under the careful guidance of mentors.

Course Structure

- i. This is an intensive study programme of two academic sessions.
- ii. The programme shall be divided into four semesters and there shall be an examination at the end of each semester. There are three taught semesters and fourth semester of class-room teaching and On the Job Training (*subject to approval*).
- iii. Each semester shall comprise of credits equivalent to nine courses, each of three hours per week, with equivalent teaching obligation and equal amount of self study.
- iv. Admission to programme is being offered for 93 seats each at Gwalior and Bhubaneswar.
- v. Dual specialization would be available to students in any two out of Airfares and Ticketing, Air Cargo Operations and Management, Tour Operations and Marketing.

Zenith mentorship Programme at Bhubaneswar Campus

Zenith Leisure Holidays (ZLH), a leading tourism company has agreed to mentor the students of Tourism and Travel programme at Bhubaneswar centre of the institute through the duration of the programme. Scheme envisages students of Tourism and Travel programme of IITTM, Bhubaneswar to travel extensively, inside and outside of the country, for training and practical exposure including one international and one domestic study tour. The mentorship programme includes:

- i. Two-month paid Internship after second semester with stipend of Rs. 5000/- per month and four months paid internship during the fourth semester with Rs. 10,000 per month as stipend.
- ii. Each student of ZMS to be assigned one Zenith Mentor for the whole period of two years (*hand holding as per Gurukul tradition*).
- iii. ZLH will award a specialist certificate to the qualifying students. Further, IITTM Bhubaneswar will award certificate after successful completion of Zenith Mentorship Scheme (ZMS) course.
- iv. The mentorship is optional on additional fee.

TOURISM AND LEISURE

Offered at Noida Campus

Tourism, today, is the largest industry in the world. This programme offers a flexible approach to human resource development in the fast evolving tourism and leisure scenario. The programme combines the best of practical experience, learning and development. Learners will receive a high level of academic support, delivered in small groups. The learning resources to support this programme of study are excellent and include internet and intranet sources, text books, journals, videos and learning packs. With lectures, seminars and tutorials, your learning will be enhanced through a work placement. Your placement will be combined with visiting and residential, guest speakers from industry, international case studies and workshops - giving you unique insights and a thorough understanding of the sector.

Objectives

- i. Provide comprehensive perspective on fast evolving leisure and tourism environment
- ii. Develop in-depth knowledge in the leisure, recreation and tourism products / offerings with special focus on adventure tourism
- iii. Understand the complex businesses of these segments
- iv. Develop knowledge and skills to manage the burgeoning leisure seekers in general and adventure tourists in particular
- v. Appreciate importance of team work, leadership qualities, and cross-cultural communication
- vi. Inculcate values and principles for ethical and sustainable business practices.

Accordingly, the programme has a large component of working in real world situations under the careful guidance of mentors.

Course Structure

- i. This is an intensive study programme of two academic sessions.
- ii. The programme shall be divided into four semesters and there shall be an examination at the end of each semester. There are three taught semesters and fourth semester of classroom teaching plus On the Job Training (*subject to approval*).
- iii. Each semester shall comprise of credits equivalent to nine courses, each of three hours per week equivalent teaching obligation and equal amount of self study.
- iv. Admission is being offered for 93 seats at Noida.
- v. Dual specialization would be available to students. During the Second Semester, the students will have to choose one elective out of Marketing, Human Resources Management and Special Interest Tourism. During the third semester students will have to choose out of event management, adventure tourism and travel trade.

TOURISM SERVICE

Offered at Gwalior Campus

Service sector, today, is the largest contributor to gross domestic product in India. As economy strengthens both service sectors and service components of manufacturing and agriculture sector would increasingly become important. This growth has resulted in a sharp rise in employability and paying capacity of these sectors especially in the service part of tourism sector. More jobs are created and job demand and supply gap has increased, calling for more trained human-power to occupy these jobs. This programme of IITTM focuses on management of tourism service sectors. The programme of study aims at preparing graduates for taking up employment in a business organisation or self employment and / or carrying forward their family businesses. Learner would be able to specialize in the functional elective area.

Objectives

- i. Enable young learners to develop a business acumen and sensitize them to nuances of service scenarios
- ii. Learn principles and practice of management especially for the service sector companies in tourism sectors
- iii. Equip and enable learners to start new business ventures.

Accordingly, the programme has a large component of working in real world situations under the careful guidance of mentors.

Course Structure

- i. This is an intensive programme of study of two academic sessions.
- ii. The programme shall be divided into four semesters and there shall be an examination at the end of each semester, where the fourth semester includes classroom teaching and On the Job Training (*subject to approval*).
- iii. Each semester shall comprise of credits equivalent to nine courses, each of three hours per week equivalent teaching obligation and equal amount of self study.
- iv. Admission is being offered for 93 seats in the programme.
- v. Specializations would be available to the students.

INTERNATIONAL TOURIS BUSINESS

Offered at Gwalior

The prime objective of this programme is to develop a global way of thinking- a valuable asset and an important skill for all businesses today. IITTM's International Tourism Business programme is unique among international management programmes because we focus on preparing our graduates to be global tour leaders who possess a deep knowledge of the intercultural sensitivity and skill to handle both out bound and inbound tourists.

Mentored by Thomas Cook (India) Ltd., (in Gwalior Campus), this programme provides learners with international as well as general business skills, and an opportunity for hands on experience. With IITTM's core competence in tourism and travel-the largest global industry today, we prepare learners for this. They will also be equipped with skills transferable to other sectors of global businesses.

In times when companies must spend each rupee judiciously it has become increasingly important for tourism companies to hire managers / executives who are trained to be relevant to their requirements. At International Business (Tourism), we believe that for graduates to be worth the employers' money, they need to be trained / educated in a manner that they may contribute from day one to the company by creating value for their customers and company. We believe that the only way out is to offer a programme working closely with industry, so that it produces learners who are of immediate use for the tourism companies. Being the leader in tourism education in South Asia, we have excellent relationships with the tourism companies which have enabled us to appreciate their needs.

The International Business (Tourism) programme includes state-of-the-art course in Medical Tourism, Travel Documentation, Sustainable Tourism, Volunteer Tourism, Intercultural Management, On-the-job Training, among others.

On completion of the programme, a learner shall be able to:

- i. Appreciate nuances of international tourism business
- ii. Manage tours, both inbound and out bound
- iii. Must be able to help the employing company with design of products and selling them
- iv. Raising and management of tourism enterprises
- v. Prepare for international tourism businesses with skills transferable to other international businesses.

Accordingly, the programme has a large component of working in real world situations under the careful guidance of mentors.

Course Structure

- i. This is an intensive study programme of two academic sessions.
- ii. The programme shall be divided into four semesters and there shall be an examination at the end of each semester.
- iii. Thomas Cook (India) Ltd. shall allow four months paid internship after the fourth semester.
- iv. Each semester shall comprise of credits equivalent to nine courses, each of three hours per week equivalent teaching obligation and equal amount of self study.
- v. Separate (additional) certification by Thomas Cook (India) Ltd. Opportunity for other concurrent certifications.
- vi. Admission to programme is being offered for 93 seats each at Gwalior & Noida centers.
- vii. Programme envisages students to travel extensively, inside and outside of the country, for training and practical exposure.
- viii. Learners of this programme are expected to financially support these activities.
- ix. Approximate expenses would be Rs. 1.1 lakhs in addition to the regular fees for the programme.

INTERNATIONAL TOURISM BUSINESS (LOGISTICS)

Offered at Bhubaneswar Campus

As the global marketplace gets more competitive, the key to sustainable competitive advantage would emanate from a business's ability to make effective decisions and move products to the market quickly and efficiently. Post recession, management of logistics has gained importance with business decision makers.

Objective

The paramount objective of the course is to make the students understand the indispensable role of logistics in the movement management of tourists and their travel accessories, including souvenirs from the tourism generation region to the transit and destination region vice-versa. The course will introduce the students to the linkages between the large tourism industry on one hand and the various transport systems of the world on the other. This course will focus primarily on the following capability dimensions - tourism management practices; logistics supply chain management; distribution; critical analysis, problem setting and solving; interpersonal and communication skills; teamwork and leadership skills.

This course will assist students to develop their ability to:

- i. Understand the fundamental supply chain principles involved in the movement of tourists, luggage and services in the global and regional tourism industry.
- ii. Analyze the prevailing regional and global tourist travel demand and constructively analyze the functional capacity of the existing tourist travel supply capacities.
- iii. Learn functions of transport logistical operations systems in tourist transit regions and their effectiveness in the management of the mass movement of tourists and goods from the travel hubs to the tourist attraction spokes.
- iv. Make sense of existing and future global, regional and local prospects and challenges for tourist transport provision and methodologically approach each issue.
- v. Understand and implement concepts, techniques and applications that are important for logistics and supply chain management.
- vi. Link strategic and operational system thinking with appropriate action to inform and facilitate day-to-day decisions in logistic management.
- vii. Apply business and logistic methods and principles to identify problems to improve value chain and supply chain management for sustainable practice.
- viii. Ability to communicate effectively to build and maintain relationships with other professionals at various levels of business organisation, stakeholders, clients, team members and management.
- ix. Ability to evaluate and disseminate logistic solutions and information, upstream and downstream in supply chain management.

Course Structure

- i. This is an intensive study programme of 2 academic sessions.
- ii. The programme shall be divided into four taught semesters and there shall be an examination at the end of each semester.
- iii. First, Second and Third semesters shall comprise of nine courses and Fourth semester shall comprise of five courses including project work, each of three hours per week equivalent teaching obligation and equal amount of self study.
- iv. Admission is being offered for 93 seats in the programme.
